COHITECH is an organization specialized in the "**Design, Production and Marketing of Hygienic-Sanitary Products**".

Within the context in which **COHITECH** is and considering the needs and expectations of the interested parties, the organization is committed to supply products and services that meet the applicable requirements, whether they are from the client or legal and regulatory.

The Management of **COHITECH** has as main strategies of the 2021 period:

1. - Achieve continuous improvement of customer service, through the following actions:

- the **organization's optimization of the "just in time"**
- the **consolidation of the machinery's optimum performance.**

2.- Consolidate the growth of the organization by:

- the **start-up and consolidation of new production lines.**
- the **consolidation and training of the human team.**
- the **consolidation of the implementation of the new ERP system with advanced manufacturing processes.**
- the **implementation of data capture capture and analysis in plant.**

Management assumes, as an obligation of its responsibilities, the commitment to take the lead in the implementation and application of behaviors in accordance with the Management System, based on ISO 9001, ISO 13485, 21 CFR 820 (US FDA) and Canada Medical Devices Regulations (SOR/98-282), acting as driver, guide and example in the fulfillment of an obligation that concerns to all the members of the company.

This policy serves as a framework for establishing the quality objectives. **COHITECH** will communicate it to all its personnel and is available to the relevant interested parties.

Balsareny, on July 30th 2021

Signed Management

Mr. Ramon Vendrell
